

PageTraffic Wins the Best SEO Company Award for Ninth Year in a Row!

Promotion World, one of the leading platforms for determining the best digital marketing agencies, has placed PageTraffic as one of the top 10 SEO companies for 2020. This is the ninth consecutive year for PageTraffic to be ranked as one of the best SEO companies worldwide.

Promotion World is one of the leading portals for growing in the SEO industry, with the combination of powerful tools and unique insights from SEM experts. The website covers a large spectrum of topics - including marketing and features of the SEM industry. The company brings together small and medium businesses, corporations and entrepreneurs in a single online platform.

Mr. Navneet Kaushal, the CEO of the company, stated, "We are proud of being the recipient of such a prestigious award for the ninth year in a row. However, I have to admit the collective effort of the entire company in this case. This award is the result of consistent hard work and determination, coupled with thorough and proper research and

development. Promotion World is a very reputed website and getting an award from them is an honor for us. Due to the outbreak of the COVID-19 pandemic, 2020 has been a challenging year in many ways. However, with the continuous support of our clients and team, we emerged as winners by adapting to the new normal and embracing newer ways to keep working efficiently. We are also thankful to our clients for believing in us. We are excited to embark on a new journey and scale new heights in 2021.”

For the last 19 years, PageTraffic has been growing consistently as the Best SEO Agency in the world. Staying true to their tagline - “Get New Customers Everyday” - PageTraffic is always putting their best effort to place the client’s website on page one of search engines. The company is always keen on providing long-term solutions in terms of search engine optimization and brand recognition. They offer the professional expertise that has a lasting impact on traffic, sales and ROI.

PageTraffic takes a very detailed and result-oriented approach towards SEO and is always determined to provide the best customized solutions for each client. The size and type of the project do not matter as much as the impact that it makes online. The SEO team at PageTraffic uses proven white-hat methods and tailored strategies to meet the end goal of the project. The company has a set of SEO Packages to choose from, which enables businesses to reach wider markets and coverage.

Mr Kaushal further added, “We aim to help customers gain more exposure and coverage online. We do not specialize in any industry, we specialize in what we do - that is, getting new customers every day.”

PageTraffic offers a variety of digital marketing solutions for clients from all industry verticals. With the help of diverse strategies by the SEO team, the clients can gain a high recall value from their target audience.
