

PageTraffic Wins Best SEO Company Award by PromotionWorld

PromotionalWorld, the leading provider of digital marketing service reviews, has named PageTraffic as one of the best companies of 2016 in the SEO Category. PromotionWorld's annual SEM Awards are a global recognition of innovators and market leaders, set up to reward outstanding contributions within the internet marketing industry.

Expressing his gratitude for the award, PageTraffic's CEO, Mr. Navneet Kaushal said, "I deeply appreciate this nomination and flattered to be the part of it. Every company dealing in the SEO industry strives for these types of recognitions and now PageTraffic is one of those companies. I'm delighted to accept this award. Thank you!"

PromotionWorld's annual SEM Awards are a global recognition of innovators and market leaders, set up to reward outstanding contributions within the internet marketing industry. Every year, it presents the Top 10 companies in the SEO and social media marketing fields. These are some of the world's most innovative marketing companies that help businesses connect with their audiences through the use of different internet marketing and advertising means.

“ The team at PageTraffic really counts itself as lucky to be considered as one of the best SEO companies in such a strong competition. I'm accepting this award for my team and of course, from where I stand, the future looks bright! ”

Mr. Navneet Kaushal further added, "The team at PageTraffic really counts itself as lucky to be considered as one of the best SEO companies in such a strong competition. However, we mustn't forget that awards are not simply about winning or losing but are also a medium to tell our clients a lot about our industry and services and for as long as there are awards and recognitions like this one around - and so much good competition for them - then we've little need to worry about the future of SEO industry. I'm accepting this award for my team and of course, from where I stand, the future looks bright!"

The company has set new parameters of excellence and service standards by offering comprehensive SEO packages and PPC (Pay Per Click) services. PageTraffic, predominantly a client-centric organization believes in offering end-to-end content based search marketing solution to its clients without making any compromises on the service quality. The SEO experts working with the organization primarily focus on overcoming all the hurdles while

working on new ideas and solutions in the SEO industry, which makes it as the best SEO company for clients SEO requirements.
