

## Search Marketing Agency PageTraffic Receives the 2013 Best of Business Award for Chicago

**Summary:** PageTraffic, the leading digital search agency, has been awarded the 2013 Best of Business Award for Chicago in the Small Business Category. The announcement was made on the 14th of January, 2014.

PageTraffic has won the 2013 Best of Business Award for Chicago in the Small Business Category. The award was given by Small Business Community, an association dedicated to preserve and extend the future of small businesses.

Navneet Kaushal, CEO PageTraffic said, "We are glad to receive the 2013 Best of Business Award for Chicago and are grateful to Small Business Community for recognizing and rewarding our efforts. 2013 has been a great year for us and being chosen for the prestigious Best of Business Award at the start of 2014 is just great. PageTraffic has been working hard to match up with the growing pace of the digital sphere and it feels nice to see all our efforts being paid-off in an incredible way."

Small Business Community believes that business owners are role models, and therefore recognizes them with awards every year. It is dedicated to collecting & organizing training, information and services, which are vital to entrepreneurs, small business owners, and individuals who are running a business.

“ 2013 has been a great year for us and being chosen for the prestigious Best of Business Award at the start of 2014 is just great. ”

---

"PageTraffic has continued to excel in the search industry. Although, the competition has increased manifold but we have made sure not to compromise with the quality of work and the process that we follow. The 2013 Best of Business Award for Chicago reflects that PageTraffic leads the industry and we will continue to strive for excellence," further added Kaushal.

PageTraffic has been a part of the best of industry conferences such as Pubcon, Adtech, SES, SEMPO, Click Asia Summit, TFM&A and more, which assists the search agency in getting a deeper insight of the industry & offering the most competitive solutions to its clients. The company also aids enterprise level clients in managing their overall

campaign, training in-house team, and providing strategic inputs.

Based out of Chicago with offices in the UK and India, PageTraffic has evolved over the years to become one-stop search marketing agency. It specializes in Search Engine Optimization, Web Design, and social media marketing services. By offering affordable & effective SEO solutions, PageTraffic has gained the repute of a reputable search marketing agency for small and midsize businesses across the world.
