

PageTraffic Wins the Entrepreneur India Awards For ‘Micro Business Entrepreneur of the Year 2017’

PageTraffic, the leading Digital Marketing and SEO services agency, is bestowed upon with Entrepreneur India Award 2017 for the ‘Micro Business Entrepreneur of the Year’. It is a mark of recognition and appreciation for its brilliant ideas and immense contribution in the digital marketing realm.

“I express my gratitude, on behalf of the company, on receiving this prestigious award. I want to thank the Entrepreneur India judgment panel for recognizing the efforts. It has been an uphill battle for the last 15 years, and I feel proud to have successfully brought PageTraffic to where it stands today.” stated Mr. Navneet Kaushal, CEO PageTraffic.

The 7th edition of Entrepreneur India Awards, organized by Entrepreneur magazine in media partnership with ET Now, was held on the 18th and 19th of July, 2017 in Hotel J W Marriott, Aerocity, New Delhi. It was a large gathering of leading business and start-up entrepreneurs. It promotes the idea and spirit of entrepreneurship in India, by honoring brilliant ventures and magnificent individuals behind them with the well-deserved awards.

The list of awards was a never-ending one. Entrepreneur India Awards 2017 had an award for categories such as Home or Craft-Based Start Up of the Year, Entrepreneur of the Year in Service Business - Financial, Entrepreneur of the Year in Service Business - Health, Beauty & Wellness, etc.

Mr. Kaushal added, “It is not one day’s hard work, but years of contribution and constant effort to excel in the SEO and Digital Marketing fraternity. We emphasize the most on delivering result-oriented work to our clients across the globe. Despite strict competition, being selected for this [award](#) is truly honorable.”

“ I express my gratitude, on behalf of the company, on receiving this prestigious award. I want to thank the Entrepreneur India judgment panel for recognizing the efforts. It has been an uphill battle for the last 15 years, and I feel proud to have successfully brought PageTraffic to where it stands today. ”
