

PageTraffic to Exhibit in Pubcon Las Vegas 2013

Summary: PageTraffic is exhibiting Pubcon Las Vegas 2013, the biggest social media and search event of the year. The four-day conference is scheduled to commence on October 21 at the South Hall of Las Vegas Convention Center.

PageTraffic is set to be a part of the biggest social and search conference, Pubcon Las Vegas 2013. Starting from 21 October, the 4-day event is a great place to expand your network and get know-how of what's catching up in the world of digital marketing.

Navneet Kaushal, CEO PageTraffic said, "Pubcon is the most awaited conference for SEOs and social media marketers and we are looking at it as an opportunity to interact with industry biggies and our clients. PageTraffic will be exhibiting on October 23 & 24 at the Pubcon, Las Vegas 2013 and we will be glad if our clients stop by booth #29 to meet the me and team of PageTraffic. Like every year, Pubcon 2013 will see who's who of the online marketing industry and we believe that it's going to be a learning experience for everyone."

Pubcon 2013 will hold Pubcon Masters Group training on its opening day followed by official Pubcon 2013 conference on October 22nd and 24th. It will open gates for exhibition on October 23 and 24 from 9:45 am to 3:30 pm.

“ **The conference is a must attend for search and social media innovators. Whether you want to expand your network or learn from the search industry eminent, Pubcon is sure to benefit every attendee** ”

"The conference is a must attend for search and social media innovators. Whether you want to expand your network or learn from the search industry eminent, Pubcon is sure to benefit every attendee," added PageTraffic.

Apart from exhibiting at Pubcon 2013, PageTraffic will also cover live sessions and share the details on [PageTraffic Buzz](#), the digital media partner of Pubcon. The press rights will further give PageTraffic an opportunity to share exclusive event updates & Tweets, first & the fastest Live from the event.

Pubcon Las Vegas 2013 will see online marketers, tech savvies, and early adapters of latest SEO strategies coming together and sharing their worthwhile experiences. Matt Cutts, Scott Stratten, and Jason Calacanis will make the

keynote address at the event. So, register for the conference, [click here](#).
